ICONS USED IN THE CATALOG

Lifetime Warranty

1 Year Warranty

Adjustable
Display is adjustable to accommodate a range of banner dimensions.

Magnet
Magnetic strips on sides of panels attach to channel bars on frame.

Adjustable Height
Display height is adjustable to accommodate a range of banner dimensions.

Hook & Loop
Banners attach via hook & loop strips on top and/or bottom.

Indoor Use
Banners and stands are designed for indoor display.

Clamp
Top and/or bottom bars clamp to banner.

Outdoor Use
Banners and stands are designed for outdoor display. Some stands feature weighted or water filled bases for stability.

Grommet
Banner edges are hemmed with #2 grommets in corners. Available grommet colors: brass, silver, gun metal & black.

Double-Sided
Displays 2 banners back to back to enable viewing from both sides.

Pole Pocket
The top and bottom of the banner is folded over and sewn, creating a pocket that accepts dowels.

Single-Sided
Displays 1 single-sided banner.

Toolless
No tools required. Display parts assemble together without the use of tools.

EZ TUBE DISPLAYS

Sleek and "EZ", our tension fabric systems are a great alternative to standard backwall displays. Quickly assembled in just 5 minutes, slide the tubes together to make the frame and lock in place with a push button snap. Then, simply pull the pillowcase-like graphic over the frame and zip it shut. The zipper, hidden from view, tightens the stretch fabric beautifully displaying your images. Disassembled, the lightweight frame and graphic fits inside a compact silver bag. The EZ Tube is available in 5 sizes and different styles. Quantity Prices are also available on our website.

NEW EZ SURF DISPLAY

NEW EZ FABRIC COUNTER

Introducing the new EZ Fabric Counter display, developed to combine convenience and show. Leave your tools at home because this unit is completely toolless. Push button snaps connect the lightweight aluminum framework together. Slip the fabric over the frame, hook and loop the fabric piece underneath and zip shut the backside. Attach countertop. Graphics available on front, back, sides and top. See your printed graphic through the frosted acrylic countertop piece! This fully enclosed unit unzips to make for a convenient spot to hide stuff. Carry case included.

FABRIC LIGHT BOX

NEW WHISTLER FABRIC LIGHT BOX

on Frame & graphic

COMING SPRING 2014

Looking for a compact backlit display? Be the coolest kid on the block showing off this beauty with the flip of a switch, literally. The aluminum frame has been designed for easy assembly. Connect with a flip-lock mechanism. With the rubber beading, sewn on the edge of the fabric graphics, simply push the edges into the frame's recessed grooves to install. Removable graphics allows you to keep the frame and replace new graphics as desired.

WHISTLER

- Product Code: WHISTLER
 Display Size: 31.5"W x 79"H
 Frame Depth: 4"
 Construction:
- Aluminum Light Box
 - 2 Flat Feet (Length: 11")

FABRIC LIGHT BOX

Our LED Fabric Light Boxes feature a back-lit fabric that tucks into the edges of the frame for a tight and clean look. The heavy-duty aluminum casing is equipped for wall mount display. The Fab Boxes are available in 3 different sizes.

WALLBOX

NEW WALLBOX

CALL FOR CUSTOM SIZE

on Frame & graphic

Introducing the new Wallbox fabric display, a portable unlike anything you've ever seen. Your exhibitors will be in awe of it's mighty size! You'll need a friend to help you set it up, but don't let this giant dissuade you--it's completely toolless! Using the same framework as our line of Skybox hanging banners, set up is a snap! With push button snap locks, the tubes connect together. Use it vertically, stretching tall like a tower, or horizontally as a barrier. Fabric envelops the whole frame, and zips shut at the top, creating a soft, seamless look. Printed graphics available on front, back, and all 4 sides.

SLIDER BANNER STAND

On Stand & Graphic

Searching for a backdrop to have at your event? Envision using the Slider banner stand. It can be used as the picture-perfect backdrop for any photoshoot, just like on the red carpet, or as a backwall for any exhibit. It's portability allows you to set it anywhere you like. And, it's great for step and repeat. Uncomplicated to set up, slide the telescopic pole into the pole pockets which are sewn on all 4 sides of the fabric graphic, then screw together the corners to connect the frame. Attach the feet and you're done. The Slider and Mini Slider adjustable frames allow for interchangeable graphics as desired.

SLIDER

Product Code: SLD
Width: 81" to 120"
Height: 41.5" to 96"

Carry bag is included.

NEW FOUNDATION

Need a place to hang your scrim banner, but don't like the look of zip ties and pvc pipes? Introducing our newest outdoor banner, the Foundation--A good-looking display perfect for scrim banner with grommets. Use on any field or at any event. It's simple, triangular configuration is made of lightweight aluminum tubes that come apart to fit inside the included nylon bag. Tubes lock together using push button snaps to form the frame. Girth hitch the bungee cords to the frame and slip each hook through its corresponding grommet. Single-sided or double-sided printed graphic option.

Frame Only

DISPLAY STANDS

NEW **JOTTER TABLET STAND** Best Seller ★★★★★

Looking for an interactive attraction? Engage others with the brand new Jotter Tablet Display—A great tool for trade shows, office lobbies, or retail! The Jotter stand has a pivotal head, allowing you to rotate the tablet 360° and adjust the angle 135°. Simply, insert the tablet and use the key to lock the case. The tablet is snug, secure and ready to use. The case allows for a working front and back camera as well. Use them anywhere you want to be hands-free. The Jotter Tabletop Tablet Display can be used to customize any display or countertop. To mount, simply drill into desired tabletop or display, and voila! Compatible with 2nd, 3rd and 4th generation iPad tablets. Available in 3 styles. Choose from Black or White.

JOTTER TABLET STAND A

GRAPHIC SERVICES

HOW TO PREPARE GRAPHIC FILES

► If you don't have a design...

Design services

Our layout services can turn your vision into a professional design. Our in-house designers have years of experience in turning our customer's ideas into trade show displays. No design? No problem. We take care of:

- Basic to detailed typesetting & layout
- Image placement
- We will follow your mock-ups or design from scratch

Design Estimate

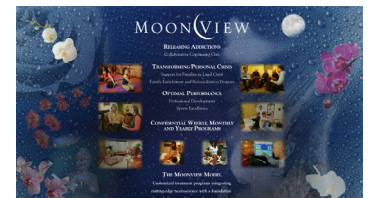

PER HOUR

Estimated design time will be provided prior to the start of your project. If you need to purchase stock photographs, please contact us for pricing.

**Please call for Stock Photo prices and more information about our graphic service.*

Design Examples and Time Used

Let us show you what we have done for our customers. As you can see, the more complex the design becomes, the more design time will be required. Design time differs depending on complexity of design and the types/quality of files needed.

Express (1-2 Hours) Design

- Simple layout & typesetting
 - Vector base/hi-res graphics
- Customer must supply vector base graphics (logo, image and text.)

Custom Design (3-4 Hours)

- Layout & typesetting
- Simple photo editing which includes cropping and color adjusting

Custom Design (5-7 Hours)

- Layout & typesetting
- Photo editing which includes cropping, color adjusting, and cloning
- Creating vector elements

Custom Design (8-11 Hours)

- Layout & typesetting
- Photo editing which includes cropping, color adjusting, and cloning
- About 15 photos used (provided by customer)
- Complex layered design

► If you are designing...

We have layout templates available for you to download. Make sure your graphics are print-ready before you upload them to us. Here are some check points to do so:

1. Right Dimension?

Double-check your graphic dimension to make sure it matches the product you are purchasing.

We add bleed on our end. Submit your graphic at desired viewable size.

2. Good Resolution?

In Photoshop, view your graphic at 100%. You can see how your artwork will look when printed.

Spot Colors

3. CMYK Mode?

Your graphic must be in CMYK mode. Colors may differ in RGB mode. Ask us about spot color matching service if your graphic has spot colors.

4. Proof Reading?

It is your responsibility to proof read all your text. Please proof read before you submit your graphic file. We rely solely on your approval of the proof as final verification and acceptance of the project. We can not accept financial responsibility for items approved by you that may be later found in error.

We accept files in following formats:

Adobe Photoshop (flatten .PSD), Adobe Illustrator (.AI), Adobe Acrobat (.PDF), Tagged Image File Format (.TIFF), Encapsulated PostScript (.EPS), and high resolution JPG files. Any other file format will/may alter graphics.

PRINTING SERVICES

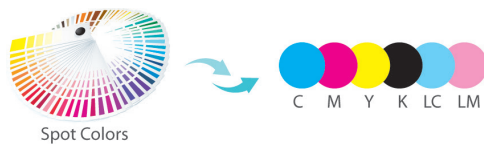

DIGITAL PRINTING COLOR INFORMATION

Offset vs. Digital

Digital printing offers a shorter turnaround and more consistent end results than offset printing. Digital printers do not print PMS and RGB colors. These colors will have color shifts.

Spot Color Matching

Although digital printers do not print PMS colors, our production team will manually adjust the color output to match your spot colors upon request (per color). Please ask us about color matching service when you upload your files. *

Material

Printed colors look slightly different depending on materials. Refer to the material descriptions for more information.

Outdoor Use

Our outdoor banners are printed with UV-safe inks to prolong the life of your banner. They are hemmed around the edges for long life and can be grommeted for easy display outside your building or event.

Reprinting

If you are in need of graphics from your previous orders printed by us, let us know before you approve proofs. To match colors with previously printed banners, we need extra time and information from you. We typically hold files for 1 year. By request, we can back up files for future use.

FINISHING OPTIONS

Grommets

Banner edges are hemmed with #2 grommets in corners. Available grommet colors: brass, silver, gun metal & black.

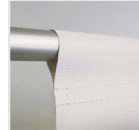

Hem

We add a 1" bleed that is folded over and double stitched with white thread. Can be performed to entire perimeter of banner.

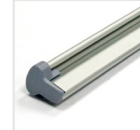

Pole Pocket

The top and bottom of the banner is folded over and sewn creating a pocket that accepts dowels.

Clamp

Top and/or bottom bars clamp to banner.

Hook & Loop

Banners attach via hook & loop strips on top and bottom.

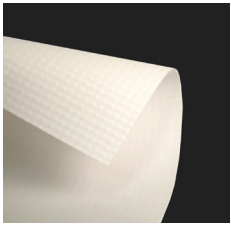

Magnet

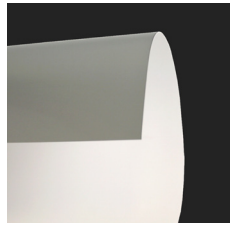

Magnetic strips on sides of panels magnetically attach to channel bars on frame.

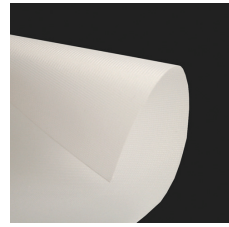

MATERIALS

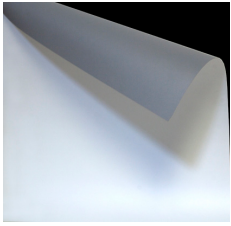

13oz Scrim Vinyl
 Thickness: 13 oz.
 Finish: Matte
 Great for indoor or outdoor use.
Finishing
 • Pole pockets
 • Hem and grommet
 • Hemmed edges
